C&J Energy Services, Inc.

Attention: Mark Cashiola, Chief Financial Officer and Dean Castleberry, Treasurer

Dear Mark and Dean:

You have requested that PNC Bank, National Association ("PNC") provide C&J Energy Services, Inc. ("C&J" and certain of its affiliates, collectively, the "Borrower") with an aggregate of \$100,000,000 in senior secured financing, the proceeds of which will be used to (a) fund capital expenditures, and (b) provide for the ongoing working capital needs of the Borrower.

PNC is pleased to present for preliminary discussion purposes only, a proposal to underwrite the senior secured financing of up to \$100,000,000 for the purposes set forth above as more fully described in the attached Preliminary Memorandum of Terms and Conditions (the "Preliminary Term Sheet").

PNC reserves the right to syndicate the Credit Facilities (either before or after execution of definitive documentation) with a financial institution or group of financial institutions approved by you (such approval not to be unreasonably withheld). Accordingly, the Borrower hereby represents and covenants that to the best of its knowledge, all written information and data prepared by the Borrower concerning the Borrower or the transactions contemplated hereby (such information and data, the "Information") which is made available in writing to PNC by the Borrower or any authorized representative of the Borrower in connection with the transactions contemplated hereby (as subsequently updated or corrected), will be complete and correct in all material respects and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein in the aggregate, in light of the circumstances under which such statements were made, not materially misleading (it being understood that budgets, forecasts, projections and forward-looking information are based upon good faith estimates and stated assumptions believed to be reasonable and fair as of the date made in light of conditions and facts then known and, as of such date, reflect good faith, reasonable and fair estimates of the information projected for the periods set forth therein). In arranging and syndicating the credit facilities, PNC will be using and relying on the Information without independent verification thereof.

It is understood that this letter and Preliminary Term Sheet merely constitute a statement of suggested terms for discussion with respect to the transactions contemplated hereby, do not contain all matters upon which agreement must be reached in order for the transactions contemplated hereby to be consummated and, therefore, do not constitute a binding commitment with respect to

these transactions. PNC will not be deemed to have extended any commitment to the Borrower unless and until (i) a formal commitment letter is issued, or (ii) all of the parties execute and deliver definitive documentation for the Credit Facilities, subject to the conditions contained therein, whichever shall first occur, notwithstanding any deposits received, subsequent conversations, e-mail or correspondence exchanges, draft document exchanges or other communications.

PNC may terminate its obligations under this letter to proceed with the due diligence if the proposed financing is not approved by PNC, if the terms of the transaction are changed in any material respect, if any material information submitted to PNC proves to have been inaccurate or incomplete in any material respect, or if any material adverse change occurs, or any additional information is disclosed to or discovered by PNC, whether prior to Borrower's acceptance of this letter or during the period of such acceptance until the execution of definitive documentation, which PNC deems materially adverse in respect of the condition (financial or otherwise), business, operations, assets, nature of assets, liabilities or prospects of the Borrower or any guarantor.

The Borrower hereby indemnifies and holds harmless PNC and each director, officer, employee and affiliate thereof (each, an "Indemnified Person"), from and against any and all losses, claims, damages, expenses and liabilities incurred by any Indemnified Person that arise out of or relate to any investigation or other proceeding (including any threatened investigation or litigation or other proceedings and whether or not such Indemnified Person is a party thereto) relating to this letter, the Preliminary Term Sheet or the transactions contemplated hereby, including without limitation the reasonable fees and disbursements of counsel (which fees and disbursements will exclude fees and disbursements of in-house counsel incurred in connection with any of the foregoing) but excluding any of the foregoing claimed by any Indemnified Person to the extent incurred by reason of the gross negligence or willful misconduct of such Indemnified Person as determined by a final nonappealable judgment of a court of competent jurisdiction. PNC shall not be responsible or liable to the Borrower or any other person for consequential damages which may be alleged as a result of this letter, the Preliminary Term Sheet or any of the transactions contemplated hereby. The Borrower's obligations under this paragraph shall survive any termination of this letter except that upon the execution of the definitive financing agreements the terms of such agreements shall supersede these provisions.

PNC and Borrower hereby waive any right to trial by jury on any claim, demand, action, or cause of action arising under this proposal letter, the Preliminary Term Sheet, any transaction relating hereto, or any other instrument, document or agreement executed or delivered in connection herewith, whether sounding in contract, tort or otherwise.

In order for PNC to proceed with the credit due diligence investigation, the Borrower hereby agrees to pay PNC \$100,000 (the "Deposit Fee") as promptly as practicable following the date hereof (taking into account court procedures relating to the bankruptcy case pending against the Borrower). Such Deposit Fee shall be refundable to the Borrower (less the reasonable and documented out-of-pocket costs and expenses incurred by PNC, including fees and disbursements of outside counsel) only in the event that PNC does not approve this transaction substantially on the terms proposed herein. If PNC's due diligence costs and/or legal fees and expenses exceed the amount of the Deposit Fee, PNC reserves the right to require an increase in the amount of the Deposit Fee to cover such increased costs. In the event that the Borrower does not proceed with

the Credit Facility if PNC does receive credit approval, requests PNC to cease seeking credit approval or accepts a commitment from, or otherwise proceeds with a similar financing transaction with another lender or financing source, the Deposit Fee will be deemed earned in its entirety. In addition, the Borrower hereby agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by PNC, excluding fees and expenses of PNC's inside counsel, but including PNC's outside counsel as well as the reasonable and documented out-of-pocket costs of providing PNC with such appraisal, audits, financial reports and other documents as may be requested in connection with the credit and due diligence investigation. Because PNC will incur these expenses even if no commitment is issued or credit approval received, or the Credit Facility is not consummated for any reason, this expense reimbursement agreement is unconditional. The Borrower acknowledges that PNC, in its sole discretion, may require customer, vendor and credit reference checks as well as liens and tax liens, judgment searches, and background reports of the Borrower, and certain key individuals associated with Borrower.

PNC shall instruct its outside counsel to prepare the documentation for the Credit Facility without PNC's issuance of a commitment letter. In connection therewith, the Borrower agrees that it will pay PNC a deposit for the legal fees and expenses of such outside counsel in the amount of \$100,000 (the "Legal Deposit") as promptly as practicable following the date hereof (taking into account court procedures relating to the bankruptcy case pending against the Borrower). Any remaining amount of the Legal Deposit not applied to the fees and expenses described above will be applied to the Closing Fee at closing. The Borrower acknowledges that PNC's acceptance of the Legal Deposit does not in any way (a) constitute a commitment to lend or extend credit, or (b) affect the Borrower's unconditional expense reimbursement obligation set forth above, including without limitation, its obligations to reimburse PNC for any legal fees and expenses in excess of the aggregate of the Deposit Fee and the Legal Deposit.

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each customer, including organizations and businesses, that open an account. What this means for you: When you open an account, we will ask for your name, address, taxpayer identifying number and other information that will allow us to identify you, such as articles in incorporation. For some businesses and organizations, we may also need to ask for identifying information and documentation relating to certain individuals associated with the business or organization.

We appreciate the opportunity to provide this proposal and look forward to working with you on establishing a successful long-term relationship with your company. We will proceed with the proposed credit and due diligence inquiry after we have received this letter countersigned by Borrower and returned to PNC before the close of business on November 23, 2016. PNC will instruct its outside counsel to proceed with the documentation, and the Borrower shall remit the Deposit Fee and the Legal Deposit as promptly as practicable following the date hereof (taking into account court procedures relating to the bankruptcy case pending against the Borrower).

Notwithstanding anything to the contrary in this letter, PNC acknowledges and agrees that the terms of this letter, including the Borrower's agreement to pay the Deposit Fee and the Legal

Deposit and indemnify and hold harmless the Indemnified Persons as set forth herein, shall be effective only upon approval by the Bankruptcy Court presiding over the bankruptcy case pending against the Borrower. The Borrower agrees to seek such approval as soon as is reasonably practicable upon execution of this letter.

Sincerely,

PNC BANK, NATIONAL ASSOCIATION
